Dea Participant,

St Augustine's College was established in 1945 by the Benedictine Monks of St John's Abbey in Collegeville, Minnesota. Leviticus Adderley was its top student in the first graduating class in 1950. He went on to St. John's University where he excelled as a student and an athlete.

Mr. Adderley completed his studies with a degree in Mathematics and returned to his alma mater as a teacher and coach. He was later appointed Headmaster of Saint Augustine's and was subsequently ordained a Deacon in the Catholic Church. Deacon Adderley quickly established himself as a mentor and father figure to his students and was dearly called "Unca Lou" by all. Unca Lou had a vision for a multi-sports complex at the school that comprised a running track, softball fields, tennis courts and a multi-purpose gymnasium. His passing put the dream on hold.

Currently, a group of alumni whose lives he has impacted have formed a committee to organize and stage "**The Unca Lou Charity Golf Tournament.**" The proceeds from this event will fund the completion of two soft ball fields in the initial phase. The first tournament will be held on **Saturday, June 11, 2022, at the Royal Blue Golf Course at Bahamar, Cable Beach.**

We are soliciting your generous support as **[Insert Level] Sponsor** of this event and by agreeing you can take pride in participating in the continued success of St. Augustine's College and the realization of Unca Lou's dream. Attached you will find details outlining the Sponsorship and other pertinent information.

Please feel free to contact us at the phone numbers shown above and should you require any additional information or clarification. We trust you will give our request favourable consideration and we look forward to your response.

Regards,
