

Dr. Tanya G. J. Mortemore's journey is an inspiring one, showcasing her commitment to education, career, and community service.

Growing up in Nassau and graduating from St. Augustine's College High School in 1989, she went on to pursue her passion for biology at the College of William and Mary, earning her BS in Biology in 1993. Continuing her education at the University of Pennsylvania School of Dental Medicine, she obtained her D.M.D. dental degree in 1997.

After dental school, she completed an Advanced Education in General Dentistry Residency at the University of Florida - Jacksonville, where she enjoyed her experience in Florida. Tanya then began her career in private practice at St. John's Family Dentistry, where she served the community of St. Augustine, Florida, until 2002.

In 2003, she returned to Nassau and established her general dentistry practice, New Providence Dental Centre, at the location of her family's homestead. The practice has become a part of her family's legacy, and she has been faithfully serving her community since then.

Her dedication to her profession extends beyond her private practice. Tanya has taken leadership roles within the dental community, serving as the past president of the Bahamas Dental Association and the past Vice President of the Commonwealth Dental Association - Caribbean Region. Her commitment to her faith is evident through her active membership in Sacred Heart Roman Catholic Church.

In addition to her successful career and community involvement, Tanya takes immense pride in her daughters, Sara and Maya, who have continued the tradition of attending St. Augustine's College. Both daughters have achieved academic excellence, with Sara graduating as a Bahamas Merit Scholar in the class of 2016 and Maya graduating as an All Bahamas Merit Scholar in the class of 2021.

Outside of her professional and academic achievements, Tanya's passions lie in spending time with her family and friends. She also finds joy in being surrounded by dogs and horses, with horseback riding being her most passionate hobby.

Dr. Tanya G. J. Mortemore's story is a testament to hard work, dedication, and the pursuit of excellence in both her career and personal life. Her commitment to serving her community and providing access to dental care is commendable, and her role as a leader and mentor within the dental profession is inspiring.
