Passionate, industrious, dedicated to excellence, and Hospitality-focused, are just a few terms most often used to describe Tiffany. This Nassau native was immersed in Business courses in High School and University and Customer Service courses throughout her banking career. Her father (whose vision to stimulate the Eleuthera Economy by providing jobs) was an energetic and successful businessman who engaged in business throughout her youth. At home, her mother embodied hospitality and displayed her culinary and hosting skills by regularly hosting gatherings, where Tiffany absorbed the importance of making people feel welcome. These two environments gave her the desire to create a warm, and inviting atmosphere where people could relax and enjoy themselves, while feasting on chef-curated meals and beverages and on three nights of the week be serenaded by local artists. She terms her food Bahamian fusion and has hosted many celebrities (local and international) having recently hosted a private dinner for the Ambassador to China.

In an effort to inspire women in Eleuthera to rise to their highest potential, Tiffany sponsored several women in coaching programs with business owners in Nassau. She started her own program, GEMSS, where she hosted monthly empowerment events with nearly 100 women, that also acted as a fundraiser for local charities.

Tiffany is a founding member of Gateway Kingdom Ministries and is a member of the Eleuthera Sustainability Council.
