

Dwayne Davis

Award: Alumna of the Decade - Minimum graduations is 10 years

Award Description: The Alumna/us of the Decade Award celebrates the achievements of SAC alumni who have graduated at least 10 years ago. These distinguished alumni have demonstrated exceptional success in their professional careers, noteworthy engagement in volunteer service, and impactful involvement in professional and service organizations, showcasing their multifaceted excellence over the past decade

Justification: A seasoned technology executive with over 26 years of experience in the technology realm, specializing in IT Operations, IT Risk, Project Management, Systems Integration, Document Management, and Business Continuity. Dwayne graduated from St. Augustine College in 1988 and obtained his Bachelor of Science degree in Computer Information Systems from Alabama State University in 1993. His technology journey commenced in October 1993 when he founded Bay Shore Solutions Group before transitioning to a role as a Network Technician at The Royal Bank of Canada in August 1994. Throughout the years, Dwayne has traversed various sectors, including Banking, Telecommunications, Retail Sales, and Entrepreneurship. In January 2011, he established Bay Shore Management Services Limited, a comprehensive technology solutions provider, contributing expertise to transformative projects with BTC, Atlantis, The Bahamas Government, and, most recently, BeAliv Limited. Currently serving as the Chief Information Officer (CIO)
