SAC Alumni Association – The Algernon Cargill Award

The Algernon Cargill Award is presented to a distinguished St. Augustine’s College (SAC) student who aspires to a career in business or education and exemplifies excellence in academics, leadership, and school spirit.

This award is reserved for a well-rounded student leader who is actively involved in school life and respected by their peers—not necessarily as a member of the Student Council, but as a true SAC Ambassador both inside and outside the classroom.

While financial need may be considered, the primary focus of this award is on merit, leadership, and a commitment to excellence, reflecting the rich legacy of SAC. Applicants must stand out among their classmates, embodying the school’s values and striving for greatness in their chosen field.

Application Requirement:

To compete for this prestigious award, students must submit a compelling essay outlining:

- Their career aspirations in business or education.
- What SAC means to them today and the impact of their SAC experience.
- How they intend to represent SAC after graduation.
- Completed application form
- Official transcript verifying GPA

This highly competitive scholarship aims to celebrate and inspire the next generation of SAC leaders, ensuring they continue to uphold the standard of excellence that defines St. Augustine’s College. This is a one-time award.
