### **About Us**

We are a wave of progression. Founded by two Bahamians in Canada with a vision to disrupt the status quo and cultivate the next generation of bold leaders. Our foundation empowers youth through education, mentorship, and financial support - focused on finance, technology, and art. Rooted in community and driven by purpose, we're building from the ground up.

### **Scholarships Available**

Three \$5,000 grants are available to post-secondary students in fall 2026. One grant is available for each of the following fields:

- Finance
- Technology
- Art

### **Eligibility**

- Minimum cumulative GPA of 3.3 on a 4.0 scale at the time of application
- Acceptance into a four-year bachelor's program, or specialty two-year diplomas in finance, technology, or art-related fields
- Applicants must be a Bahamian citizen
- Applicants must be physically studying outside the Bahamas during their academic program
- Applicants must have at least one academic year (two semesters) remaining beginning September 2026
- Applicants must prove they have additional financial resources to cover all remaining expenses beyond the scholarship amount

### **Application Requirements**

- Completed application form – available at [www.tydalfoundation.org](http://www.tydalfoundation.org)
- Series of short essay questions (max 250 words per question)
- Standardized test results (e.g. transcripts, SAT scores, BGCSE scores, etc.)
- Two letters of recommendation, signed, dated, and with referee details
- Proof of ability to cover remaining costs
- Attending an interview (if selected)
